has accordingly done.

2 It is not understood by whom the estimate was got up, as there is nothing to indicate that it was prepared by a Departmental hand. The M.C. states that after sanction is accorded, he will send the estimate to Ex: Engr: for ~~sc~~ scrutiny before the work is put on hand.

3 It is a point for consideration whether it would not be better that the estimate is scrutinized by the Ex: Engr: before it is sanctd. It may also be, perhaps, necessary to know whether the work will be done by the P.W.D or by a private contractor or by "amani".

4) Subd for orders. It would be much better if the estimate is scrutinised by the Irrl. Deptt before it is sanctd. It will save frequent revisions of the estimate
